

Governor Profile

Name: Claire Pickering

Term of Governance: March 2018 – March 2022

Background

I am a working mum of four children and have lived in Linton most of my life.

Currently two of my children attend Linton Primary and within the past fifteen years my other two children have attended also.

As my children have specific needs I very rarely have any free time. On the rare occasion that I do I enjoy reading.

Reason for becoming a Governor and Supporting our School:

I initially became a governor about fifteen years ago when my son joined what was then Linton First School, to gain a better understanding of the school as a whole and how it fulfilled its roll in educating and supporting the children within its care.

I am still a governor of Linton Primary School today because although it has been through significant changes and challenges, the ethos of the school has remained the same. Not only are the staff striving to deliver the best level of education and support each child, but, all the children are treated as individuals and are taught to be mindful and supportive of each other.

This I think is a fantastic quality that only a small school like Linton Primary can offer and I will continue to offer my support for many years to come.
