

Governor Profile

Name: Laura Dickinson

Term of Governance: 16/03/2020 – 15/03/2024

Background: I have never been a school governor before and have no experience at all, but I am willing to contribute in any way I can. I currently have my 5 year old son in Linton Primary School and he loves it. We are expecting our second child, so we are delighted that the nursery is now open for us to use in the future. I currently work at a cake decorating company called Culpitt in Ashington. I live in Linton and have been here for 11 years now.

Reason for becoming a Governor and Supporting our School:

I really want to support the school in any way I can and contribute to its future. My husband, his dad and grandad all attended Linton Primary School, so my son is the 4th generation to attend the school. I think it's always great to bring ideas and suggestions to the table from a parent's prospective.
