

# Linton Primary School

## Governor Profile

**Name:** Sarah Chalmers

**Term of Governance:**

### **Background**

Education always has been and is always likely to be a huge part of my life and is extremely important to me. I have worked with children and vulnerable children for over 15 years in various capacities. I have always been intrigued as to how schools operate in terms of what it takes to maintain children's happiness.

I am a strong believer in the value and importance of a well balanced education which is one of the reasons I applied for my current job working for the local authority Inclusion team.

The team is responsible for fulfilling Northumberland County Council's statutory duties for learners who have been permanently excluded. My role includes working with pupils and families and professionals to ensure that their social and emotional and health development is fully supported.

### **Reason for becoming a Governor and Supporting our School:**

Being a governor I feel it will allow me to gain a variety of new skills and develop the ones I already have.

I would hope to be an asset to the school ,dedicating my time to be a proactive and effective school governor.
