

Governor Profile

Name: Jackie Bambrick

Term of Governance: Local Authority Governor

Background: I am a retired teacher with 26 years' experience in Secondary and Middle school settings. Overtime I have been a Head of Department for both PE and RE. Between 2015-17 I was also KS3 Lead and Assistant Head with responsibility for SEN at a local middle school. When the school closed I continued my involvement in SEN as assistant SENCO 2017-19 at a local secondary school.

Since January 2020 I have been working for Northumberland County Council within Social Care. My job involves being a link between Social Care and SEN team, contacting schools regarding EHCP Annual Reviews, and contact with parents who are in the process of trying to obtain an EHCP for their child.

I am keen to maintain links with schools and to support all at Linton Primary in their ongoing pursuit of ensuring the children in their care receive the best education, achieve the best they can, and become well rounded individuals.

Reason for becoming a Governor and Supporting our School:

I live nearby and following discussions and a visit to the school I have been very impressed with what the Headteacher and governors are trying to achieve at Linton Primary. I was delighted by the children's polite manners and work I witnessed when I visited the school.

I am looking forward to giving my time and commitment to help drive forward the school development plans, and working collaboratively with the team and the children to ensure they have a positive experience in education.
